The Mailbox Club Course Plan

Below is our suggested plan of study for students. Use the course descriptions from the following pages to help determine the correct age and reading level for the student.

(Large print course for the visually impaired.)

** *Understanding Love and Sex* can be offered to teens age 15+ anywhere along the course path.

* at age 15, teens can be offered a choice between the *Winners* series, *A Country Called Heaven*, or *Understanding Love and Sex*. After completing that choice, offer the two remaining courses again, then the last remaining course. If *Understanding Love and Sex* or *Winners* is not chosen, *New Life in Christ 2* should be offered after the completion of *A Country Called Heaven*.
