Dear Parents and/or Guardians:

As a direct result of a Georgia law we are sending you this letter for your consideration.

July 1, 2008, a state Senate Bill was enacted by the General Assembly of Georgia.

According to this law, Senate Bill 1, Section 4, article (d) "No individual shall intentionally photograph a minor without the consent of the minor's parent or guardian."

Therefore, Northside Baptist Church has adopted this policy.

Interviewing, Photographing & Videotaping of Children at Northside Baptist Church

Children may be photographed, videotaped, or interviewed by NBC leadership personnel at church or at activities or events of the church and that such photographs, video tapes, and interviews may be published, including internet publication. If you, as a parent/guardian, object to your child being photographed, video taped, interviewed or the display of their work, the objection must be presented in writing to the Children's Pastor within 14 days of this letter.

Thank you for your support and prayers as we live in a day and age where sin is all around us!
Remember most of all to pray for our children!

Reaching Forth to Kids,

"Pastor Ken" Hipsley
Children's Pastor
